(collectively, the “**Lakeside Lots**”), all of which File Plans are filed in the Bureau of Conveyances of the State of Hawaii (“**Bureau**”). The individual Lakeside Lots are identified in Schedule 1.

II. **Recitals.**

1. The Trustees, and the then lessees of certain of the Lakeside Lots, certified, declared and established that certain of the Lakeside Lots would be held, used, leased and conveyed subject to certain restrictions, covenants, conditions, provisions and easements set forth in that certain Declaration of Protective Provisions dated March 12, 1962, recorded at the Bureau in Liber 4232, Page 367 (“**Initial DPP**”);

2. Paragraph 14 of the DPP provides that all of the restrictions, covenants, conditions and provisions contained in or established by the DPP may be amended, enlarged, modified or waived in any way from time to time or terminated with respect to all or any of the Lakeside Lots described therein by a supplemental declaration in writing, only executed and acknowledged by the Trustees and recorded in the Bureau with the prior written consent of the lessees of not less than sixty-six and two-thirds percent (66-2/3%) of the Lakeside Lots described therein;

3. Paragraph 13 of the Initial DPP provides that all lessees and occupants of the Lakeside Lots shall indemnify and hold the Trustees and the Tenants described in the Initial DPP harmless against “all claims and demands for loss or damage arising out of or in connection with the exercise by such lessees or occupants respectively or any rights and easements [t]herein provided.”

4. By Declarations of Protective Provisions identified on Exhibit A attached hereto (“**Additional DPPs**”), the Trustees and the then lessees of those certain Lakeside Lots described in each Additional DPP, certified, declared and established that additional lots along the Lake (as defined below) would thereafter be held, used, leased and conveyed subject to the restrictions, covenants, conditions, provisions and easements set forth in the Initial DPP;

5. The Initial DPP and one or more of the Additional DPPs were amended which amendments are further identified in the attached Exhibit A;

6. By Supplemental Declaration of Protective Provisions dated September 23, 1987 (“**Supplemental DPP**”), the Trustees, in order to provide for the continued care, maintenance, repair and control of Enchanted Lake and the interests of the owners and lessees of the residential lots identified therein, intended to require each of the Lakeside Lots to be subject to the obligation to pay general assessments to provide for the care, maintenance and operation of Enchanted Lake, also known as Kaelepulu Pond (“**Lake**”), but the language setting forth such requirement was arguably ambiguous and the Trustees wish to clear up any ambiguity that may exist and to make it clear that it has assigned to ELRA, its successors and assigns, the right to collect such general assessments and to enforce the obligations of the owners of the Lakeside Lots to pay them;

7. One of the Additional DPPs identified Lot 24 as shown on File Plan 751 as one of the Lots to be included among the Lakeside Lots but said lot has limited or no frontage along the Lake and was not included within the lots described in and covered by the Supplemental DPP;

8. Pursuant to that certain Kaelepulu Pond Drainage Agreement dated March 22, 1963, and recorded at the Bureau in Liber 4506 at Page 95 (“**Pond Drainage Agreement**”), the Trustees, as the owner of the Lake (Kaelepulu Pond), and Joseph Rodrigues Pao and Michael Thomas Scarfone, as the developers of the Lake and surrounding areas, and the City and County of Honolulu (“**City**”), agreed that the City would maintain and repair all inlets to the Lake and the outlet from the Lake and that the owners and/or developers would be responsible for all other maintenance of the Lake and for the control and regulation of the use of the Lake;

9. By Lease No. 11,400-1464, recorded at the Bureau in Liber 9663, at Page 412 (“**Lake Lease**”), the Trustees, as “Owner” and Kaelepulu Company, Inc., a Hawaii corporation, as “Tenant” leased the Lake (described as an area known as the “Lake Parcel, Portion of Enchanted Lake”, more particularly described in the Exhibit “A” attached to the Lake Lease) to Enchanted Lake Association, a Hawaii non-profit corporation, for a term of 75 years, beginning on December 1, 1973 (such commencement date being set forth in an unrecorded copy thereof);

10. By Assignment of Lease No. 11,400-1464 dated December 18, 1987, recorded at the Bureau in Liber 21662 at Page 439, the Trustees assigned the Lessor’s interest in the Lake Lease to ELRA and ELRA assumed the obligations of the Lessor thereunder;

11. By Deed dated December 18, 1987, recorded at the Bureau in Liber 21662 at Page 476, the Trustees conveyed the Lake to ELRA (“**Lake Deed**”);

12. By instrument dated December 18, 1987, recorded at the Bureau in Liber 21662 at Page 486, the Trustees assigned all of their right, title and interest in the Pond Drainage

Agreement to ELRA which agreed to observe and perform all of the covenants and agreements required to be observed and performed by the Trustees in said Agreement and in the Trustees' deeds of their interests in the Lakeside Lots, Trustees conveyed each of the respective Lakeside Lots subject to, among other encumbrances, the Pond Drainage Agreement, the Initial DPP, and the Supplemental DPP;

13. The Initial DPP, as amended, the Additional DPPs and the Supplemental DPP (collectively, the "**Current DPP**") provides that the Current DPP may be extended and amendment by a supplement to the Current DPP consented to by the Trustees and the owners of not less than sixty-six and two-thirds per cent (66-2/3%) of the Lakeside Lots; and

14. ELRA has represented to the Trustees that the owners of not less than ninety-two Lakeside Lots have consented to this Supplement.

NOW, THEREFORE, the Trustees and ELRA hereby confirm, amend and supplement the Current DPP as follows:

III. Confirmations, Amendments, and Supplements.

1. Lot 24 on File Plan 751 has limited or no frontage along the Lake and is no longer encumbered by the Current DPP and, thus, is no longer a Lakeside Lot.

2. If and when the Trustees assign all of their rights under the Current DPP to ELRA, its successors and assigns, ELRA, its successors and assigns, may amend, enlarge, modify or waive the Supplemented DPP in any way from time to time by a supplemental declaration in writing, only executed and acknowledged by the President or a Vice-President and the Secretary or Treasurer of ELRA, its successors and assigns, and recorded in the Bureau with the prior written consent of the owners of not less than sixty-six and two-thirds percent (66-2/3%) of the Lakeside Lots, provided that the Trustees may require that certain provisions thereof not be amended without the prior written consent of the Trustees.

3. ELRA, acting under the authority of its Board of Directors, and without the consent of any other party, may amend the Current DPP, as amended and/or supplemented from time to time, for the sole purpose of correcting any scrivener's errors, such as but not limited to corrections of recordation numbers, dates, or the like, by a supplemental declaration in writing, only executed and acknowledged by the President or Vice-President and the Secretary or Treasurer of ELRA, its successors and assigns, and may accept a correction to the Lake Deed to show the correct legal description of the Lake.

4. The reservations, restrictions, covenants, conditions and assessments contained in the Current DPP, as amended and/or supplemented from time to time shall be appurtenant to and run with the Lakeside Lots as covenants running with the land and shall expire on December 31, 2066, unless extended by the Trustees, by written declaration in the same manner as any amendment to the Current DPP (i.e., with the consent of sixty-six and two-thirds percent (66-2/3%) of the owners of the Lakeside Lots), unless they shall at any time prior thereto be terminated in the manner provided in the Current DPP, as amended by this paragraph 4. In the event that ELRA obtains (a) the written approval of owners of seventy-five percent (75%) or more of the Lakeside Lots and (b) the written approval of the Trustees, then ELRA may cancel

and terminate the Current DPP, as amended and/or supplemented from time to time, prior to December 31, 2066, by the execution by ELRA and the Trustees of an instrument or instruments setting forth such cancellation and termination and the recordation of such instrument or instruments with the Bureau. This early termination provision cannot be amended without the prior written consent of the Trustees, including, without limitation, any amendment that would reduce the requisite approval of seventy-five percent (75%) the owners of the Lakeside Lots. This early termination provision supersedes any right of the Trustees or ELRA to terminate the Current DPP in any or all of the Lakeside Lots with the consent of sixty-six and two-thirds percent (66-2/3%) of the owners of the Lakeside Lots.

5. To the extent that there may exist any ambiguity with respect to the right of the Trustees, or their assignees, to impose and collect any general assessments to provide for the care, maintenance and operation of the Lake, or to impose or collect any other monetary obligations of the owners of the lots covered by the Current DPP, as amended and/or supplemented from time to time, the Trustees hereby confirm and declare that, in addition to the special assessments set forth in Paragraph 4 of the Initial DPP, every Lakeside Lot is subject to general assessments imposed by ELRA, as the owner of the Lake and an assignee of the Trustees, and that such assessments shall be a lien on the lot so assessed, prior and superior to all other liens except those of real property taxes and assessments and mortgages duly recorded prior to such assessments, that the owner(s) of the lot at the time of assessment shall also be jointly and severally personally liable for the payment thereof, and that ELRA, its successors and assigns, shall have the right to impose and collect any monetary obligations so imposed upon the owners of the lots covered by the Current DPP, as amended and/or supplemented from time to time.

6. ELRA, its successors and assigns, is authorized to annex additional property located in the area known as "Enchanted Lake" or adjacent to the Kailua waterway system to the Current DPP, as amended and/or supplemented from time to time, without the further consent of any other party except the owner or owners of the property being so annexed, by an annexation supplement executed solely by ELRA and the owner or owners of property being annexed, which annexation supplement shall be recorded in the Bureau. If additional property is so annexed, ELRA is authorized to assess general assessments on such additional property in a manner that differs from the assessments imposed on the Lakeside Lots identified in Schedule 1.

7. The obligation of lessees and occupants of the Lakeside Lots to indemnify and hold the Trustees and the Tenant (as defined therein) harmless as described in Paragraph 13 of the Current DPP shall expire and terminate as to all claims arising from and after December 31, 2016; provided, however that the provisions of said Paragraph 13 which states that all lessees and occupants of the Lakeside Lots shall use the Lake at their sole risk without any obligation or responsibility whatsoever of the Trustees for the condition or control of the Lake or any use thereof or improvements therein or appurtenant thereto, shall remain in full force and effect unless said Paragraph 13 is amended as provided in the Current DPP and the written consent of the Trustees to such amendment is obtained. For the avoidance of doubt, the expiration and termination of this indemnity obligation shall not affect any indemnity obligations of lessees and occupants of the Lakeside Lots in favor of the Trustees that may be contained in other instruments, including, without limitation, in deeds issued by the Trustees, which obligations shall remain in full force and effect.

8. ELRA represents and agrees that the owners of not less than ninety-two Lakeside Lots have consented to this Supplement.

9. This Supplement may be executed in counterparts. The parties agree that the person or company recording or arranging for the recordation of this Supplement is authorized to complete any blanks contained in this Supplement with, among other information, the applicable number of pages, dates, recordation information, and addressees, whether before or after this Supplement has been notarized by a notary public, and in no event shall completion of any such blanks be deemed an alteration of this Supplement by means of the insertion of new content.

10. The Current DPP and this Supplement have been executed by or on behalf of the Trustees of the Estate of Bernice Pauahi Bishop in their fiduciary capacities as said Trustees, and not in their individual capacities. No personal liability or obligation under the Current DPP or this Supplement shall be imposed or assessed against said Trustees in their individual capacities.

Except as amended and supplemented herein, all of the terms and provisions of the Current DPP shall remain in full force and effect.
